

My holiday

In my summer holiday 2007 I was in Hammelburg.

There is a music academy there. For one week I went to an international music camp there.

We were 39 visitors at the Hammelburger music academy.

We had a lot of music instruments, for example:

cello, violin, pipe, grand piano and clarinet.

I played the grand piano. We had to learn a lot of songs.

Every day our music teachers helped us. My music teachers were Mrs. Helm and Mrs. Hauser. They were very nice.

I was in other groups, too: the conga group and in a body percussions group. One evening there was a dance course.

Every morning we had choir practice. It was a lot of fun, but it was too early. My favourite day, was the day where we went to the longbow field. A man showed us how to do it. I found a lots of friends:

Bettina, Elena, Christoph, Florian, Katharina, Albert, Theresa, Saskia, Marian

When we had dinner, it was always fun and we were very hungry. The best day was the concert. It was Sunday 19 August at half past ten. My parents came and we (Anabel, Gernot and I) my little group played "Bogie for six hands" and "Hit for six hands". I was very nervous, but did it very well. Mrs. Helm was happy.

It was so good in Hammelburg, I will come back next year.
